

ITEM NO.

100-HW SERIES

HOT FOOD DROP-IN WELL

Pan not included

• The gentle heating capability of HALO HEAT significantly extends hot food holding life without continuing the cooking process.

- Provides a more appealing product with better appearance and fresher taste.
- Front-of-the-house use with an existing counter, overhead lighting, and sneeze guard system or drop into a prep table for hot food plating convenience.
- Easy drop-in installation without the need of water or drainage connections and the related installation and water usage costs.
- Maintenance savings with the elimination of lime and scale buildup associated with steam table holding.
- Increase employee safety with the elimination of burning steam when changing pans.
- Adjustable thermostat with remote control suitable for mounting provides holding temperature flexibility without high steam table temperatures to scorch or burn.

A heated hot food well with an exterior of 18 gauge stainless steel. The hot well is controlled by one (1) adjustable thermostat with a range of 1 through 10. Thermostat includes an ON/OFF control switch and indicator light. The thermostat control is attached to the hot well base by a 30" (762mm) flexible and water tight tether.

The heated well base is available in two depths. The 4-3/8" (111mm) deep unit holds 4" (102mm) deep pans and the 6-3/8" (162mm) deep unit holds 6" (153mm) deep pans. Both units will hold a combination of standard (gastronorm) pan sizes. The hot well includes two (2) full-size pan divider bars.

MODEL 100-HW: 4-3/8" (111mm) depth, accepts one (1) full-size (gastronorm) pan
 MODEL 100-HW/D6: 6-3/8" (162mm) depth, accepts one (1) full-size (gastronorm) pan
